

July 20, 2010 Minutes

The evening started off with Roy Abbott giving a quick direction on using layers in Photoshop. Thanks Roy

We had 2 new attendees at the meeting, Hannah Israel and Marilyn Sobiech - Welcome all new members.

The annual dues were collected (by Deanie) \$12.00 per year per member. I will give the list to Brenda P. (16 paid members so far). It was suggested that the "projector" will be stored and secured at the arboretum. Peg Serani will help with that location.

Field trip ideas were discussed...anyone with ideas or that know of interesting happenings would be helpful to share. The Tall Ships will be arriving in Duluth July 28 - 4 or 5 days. The Split Rock lighthouse will be celebrating their 100th anniversary this year, so Duluth will be pretty busy.

Lisa Haste shared information as a leader of the Worldwide Photo Walk to take place in Motley on July 24. Believe there were 22 photographers participating...which mainly consisted of Focal Point Members. Participants need to register for this because of the limited number for this event of 50 per location.

The assignment images were shared and we only had 2 images for the Arboretum monthly contest....please keep them coming. August image assignment is Barns. Roy Abbott's picture was voted for July's arboretum's photo.

Gregory Murrey did a photo presentation of his recent visit to Nome, Alaska/etc.

Mike Morris also did a photo presentation of his old home area of Portland the Oregon coast. Both presented great and interesting images.

Snacks and beverages were brought by Peter Card, Ron Starke and Deanie Nelson...Thank You
